

## FCPLGxNAREDCO

### Enabling Student Mobility and Training

On January 9, 2025, the **National Real Estate Development Council (NAREDCO)** and **FORE Centre for Political Leadership and Governance (FCPLG)** came together to collaborate on multiple initiatives, including academic partnerships, training programs, and collaborative projects. The MoU was formally signed by Dr. Abhay Anand Tiwari, CEO at FCPLG, and Ms. Preeti Singh, Additional Director General, at BRICS.

A key highlight of the agreement is our designation as the **Education Partner for NAREDCO**. Building on this collaboration, we will be introducing various training programs to enhance industry expertise and professional development.

The MoU is an important step in our goal to support education and skill development as well as promote gender equality and women empowerment.
